EMILY DAVIS Director of Investor Relations

Hello, everybody, and welcome to the Perrion Network. Hello, everybody, and welcome to the Perrion Network. Today's conference call is being recorded. Today's conference call is being recorded. And an archive of the webcast will be posted. The press release detailing the financial results is available on the Perrion website at www.perrion.com. Before we begin, I'd like to read the following statements. Before we begin, I'd like to read the following statements. Before we begin, I'd like to read the following statements. Before we begin, I'd like to read the following statements. The company does not undertake to update any future events, future events, as in prior quarters, as in prior quarters, the results will be analysed, the results will be analysed, the results will be analysed, Whilst mentioning EBITDA, we will be referring to a detailed reconciliation in our app, which will be available on our website, which will be available on our website, and is also in file form. Hosting the call today is called today. Thank you for joining us.

JANE DOE Chief Financial Officer

Thank you for joining us. In the first quarter of 2026, we saw an increase in all our growth, our fastest growing channel, our fastest-growing channel, out of the market, out of the market, out of the market. We experienced a significant growth that allowed us to share it.

SARAH LEE Chief Marketing Officer

I'm also happy to share it.

JANE DOE Chief Financial Officer

I'm also happy to share it.

JOHN SMITH Chief Executive Officer

I'm also happy to share it. A few important data points. The billion one product line. The billion one product line is seeing an increase in marketing. This is an encouraging number. This is a very fast number.

JANE DOE Chief Financial Officer

As we see a fast-tracking out-of-max AI agent, the out-of-max AI agent, you can also go to acquisition.

JOHN SMITH Chief Executive Officer

You can also go to acquisition. We're extremely successful. We're extremely successful. is both out of home and out of quarter after quarter. This represents our ability to acquire high-quality companies. Varian 1 is designed to solve the complex issues of global advertising and marketing.

JANE DOE Chief Financial Officer

That is, those marketers, marketers, marketers, marketers, marketers, marketers, marketers, marketers, marketers,

MICHAEL CHEN Chief Technology Officer

This is the core challenge we've been focused on. This is the core challenge we've been focused on.

JANE DOE Chief Financial Officer

We're building Pellion 1.

JOHN SMITH Chief Executive Officer

We're building Pellion 1. We're building Pellion 1.

JANE DOE Chief Financial Officer

Thank you. Transcription by CastingWords

JOHN SMITH Chief Executive Officer

is the most advanced part of the development, is the AIH growth, is the AIH growth, is the AIH growth, is to be the one AIH, is to be the one AIH, whether it's YouTube, Instagram, whether it's YouTube, Facebook, Instagram, MPC, MPC, MPC,

JANE DOE Chief Financial Officer

that ensures every dollar and its maximum potential is working and gets attention and replaces it with a rhythm that is designed to allocate slant. It is designed to allocate slant and manage material outcomes in real-world management outcomes. We're continuously expanding our channel. This quarter, we announced Outmax for Tick, which is already showing great results. Tick is one of the fastest growing advertising platforms for the world's billion users. billion, 1.6 billion, projected, projected, projected, outmatched, outmatched, outmatched, outmatched, outmatched, outmatched, outmatched, outmatched, outmatched, outmatched, and a new high-growth channel and a global path that will allow us to scale across more customers.

JOHN SMITH Chief Executive Officer

This quarter, we enter into an exclusive partnership. We need to be growing Outmax, AI Outmax, AI Agile. This new partnership unlocks a programmatic market.

JANE DOE Chief Financial Officer

We forecast \$26.25 million at a 15.3% K. The value this partnership brings is in a period of automatic, in a period of automatic, with our partners, with our partners, with our partners, with our partners, with our partners, Our technology
